

# SMART SECURITY

Enjoy your digital life, secured by ESET's all-in-one Internet security software.

10-YEAR  
UNBEATEN  
RECORD

## Explore the Internet with confidence

<b>Antivirus and Antispyware</b>	Provide proactive protection against all types of online and offline threats and prevent malware from spreading to other users
<b>Exploit blocker</b> <small>ENHANCED</small>	Blocks attacks specifically designed to evade antivirus detection Eliminates lockscreens and ransomware Protects against attacks on web browsers, PDF readers, etc., including Java-based software
<b>Advanced memory scanner</b>	Enables improved detection of persistent malware that employs multiple layers of encryption to conceal its activity
<b>Cloud-powered scanning</b>	Speeds up scans by whitelisting safe files based on the ESET Live Grid® file reputation database
<b>Scan while downloading files</b>	Decreases scanning time by scanning specific files (e.g. updates) during the download process
<b>Idle-state scanning</b>	Aids system performance by performing in-depth scans when your computer is not in use Helps detect potential inactive threats before they can cause damage
<b>Host-based Intrusion Prevention System (HIPS)</b>	Lets you customize the behavior of the system in greater detail Helps you to specify rules for system registry, active processes and programs

## Anti-Theft—protect your laptop in case of loss or theft; increase the chances of retrieving it

<b>Location tracking</b>	Lets you mark a device as missing via web interface at <a href="http://my.eset.com">my.eset.com</a> to initiate automatic monitoring Displays position on a map based on the Wi-Fi networks in range when the device comes online Allows you to access the gathered information via ESET Anti-Theft at <a href="http://my.eset.com">my.eset.com</a>
<b>Laptop activity watch</b>	Allows you to watch thieves via your laptop's built-in camera Collects snapshots of the missing laptop's screen
<b>Anti-Theft optimization</b>	Lets you easily set up/configure Anti-Theft for maximum protection of your device Increases your security by prompting you to modify key system settings and passwords
<b>One-way messaging</b>	Send a message via <a href="http://my.eset.com">my.eset.com</a> asking the finder of your device to return it

## Protect your data and your identity

<b>Personal firewall</b>	Prevents unauthorized users from accessing your computer and taking advantage of your personal data
<b>Botnet protection</b> <small>NEW</small>	Prevents spam and network attacks launched from your computer
<b>Vulnerability shield</b>	Protects all communications by blocking attacks trying to exploit network vulnerabilities
<b>Anti-Phishing</b>	Protects you from attempts to acquire sensitive information such as usernames, passwords or banking and credit card details by fake websites masquerading as trustworthy ones
<b>Out-of-home network</b>	Alerts you when connecting to an unknown network and prompts you to switch to the Strict Protection mode Makes your device invisible to other computers connected to the same network
<b>Device control</b>	Allows you to prevent unauthorized copying of your private data to external devices Allows you to block storage media—CDs, DVDs, USB sticks, and disk storage devices Lets you block devices connecting via Bluetooth, FireWire and serial/parallel ports
<b>Antispam</b>	Keeps unwanted emails from clogging your mailbox

## Take advantage of your computer's full power

<b>Small system footprint</b>	Play, work and browse online without slowdowns or distracting popups Maintains performance, fits all system environments and extends hardware lifetime Saves Internet bandwidth with extremely small update packages
<b>Gamer mode</b>	Automatically switches to silent mode with full screen programs to preserve system resources

## Keep your kids safe on the Internet

<b>Parental control</b>	Gives you the option to choose from predefined categories according to the age of your kids Lets you password protect settings against modification as well as prevent unauthorized uninstallation Help children experience the best of the Web by blocking offensive content
-------------------------	---

## ESET Social Media Scanner

<b>Twitter</b>	Protects your profile, as well as the posts from everyone you follow
